Road to Brisbane 2032

A decade-long plan, built in stages — a platform for sponsors, not a single-season campaign.

2026

Class 10 boards alongside a selective tournament calendar; international junior experience

2027–28

IGU senior-category transition; full Asian junior season; first European & American tour starts

2029–31

Senior amateur and international campaign; world ranking push

2032

Brisbane Olympic qualification bid for India

Beyond the Course

Shiksha's journey from Jaipur is a platform to bring more girls from Tier-2 and Tier-3 India into sport.

Clinics

Partner with Shiksha

Three ways to power the journey — every rupee goes into competition and development.

01

Travel & Tournaments

The single biggest cost: flights, stay and entries for the international season across Asia, Europe & the US.

02

Academy & Coaching

Advanced coaching blocks, sports science, physiotherapy and sports psychology.

03

Equipment & Apparel

Clubs, balls and performance wear — with prominent, contracted brand visibility.

What partners receive: logo on apparel, bag & website · dedicated social & YouTube content · press visibility · CSR eligibility under Schedule VII, item (vii), Companies Act 2013 — training to promote Olympic sports
